

WINTER THAW out

URBAN ADVENTURE RUN

- WHEN:** The race will start at 10:30am on Saturday, Feb. 6, 2010. Registration will begin at 9:30 with the pre-race meeting at 10:15.
- WHERE:** The race will be held in Ludington. That's all we can tell you. Registration, Start and Finish are at 108 Threads located at 103 E. Ludington Ave. Awards immediately following the race.
- WHY:** Because it's the middle of winter and you really don't have anything better to do.
- WHO:** 2-Person teams. Separate categories for M/M, F/F & M/F.
- WHAT:** This will be a timed event of approximately 4 miles in length. 10 minutes prior to the start, each team will be given a map, a set of clues and a passport. Each clue will describe the location of a POI (point of interest). The clues will be quite easy to figure out if you have a basic knowledge of Ludington. Each POI will be marked by an orange and white flag with a number and a punch attached to it. Upon reaching each POI, your team will need to punch the corresponding number located on your passport. The object is to be the first team back after reaching all of the POI's. The POI's can be obtained in any order so the distance that you run may vary depending on the route that you take.
- MORE:** Each team will have 10 minutes prior to the start to read over the clues and plan their route. The race committee will give answers to clues but there will be a 3 minute time penalty for each answer given. Prizes to the first team in each category along with a random drawing for other prizes. It's called a run but you can walk if you want to. Entry forms are available at downtownludington.org or at Trailhead Bike Shop.
